Battalion  
(attached)

All the artillery is  
actually French  
155mm howitzers.

612th  
Flak  
Regiment  
(-)  
(attached)

Also known as Kampfgruppe Menny, this brigade mainly consisted of two regiments from the 90th Light Division that did not have any motor transport. This group was stationed in the north close to the coast road and operated as part of the Italian XXI Corps. The brigade did not see heavy action in the battle.
