GW38's are an
improvised unit

1st SS had a leading role in the southern pincer attack at Kursk. Transferred to Italy after the battle, the division was finally officially upgraded to a panzer division in late 1943. The 1st SS then spent more time on the Russian front before being transferred to Belgium to fight the Western allies. Rebuilt after heavy losses in the Battle of the Bulge, the division was transferred back east to fight the Russians for the rest of the war.
